

If I were a carpenter...and a father, partner, brother, son, uncle, electrician, engineer, designer, developer, programmer, home security installer, dry-waller, insulator, remodeler, tiler, builder, assembler, mechanic, gardener, landscaper, farmer, musician, writer, investor, hunter, fisherman, SCUBA diver, surfer, swimmer, golfer, cook and Constitutionalist...I'd STILL need a plumber!!

Where sustaining synchronicity and self-actualization...for ALL of earth's humanity and abundant life...IS the policy!

The FUTURE...reimagined by the sparkling rivers, lakes, and oceans!

[old republic] politicians are always realistically maneuvering for the next election.

They are obsolete as fundamental problem-solvers.

...And their lust for power and love of money is leading to their self-organized critical mutually-assured political party destruction.

In the NEW REPUBLIC, imperfect people form a more perfect union, with Providence. Core principles of community-based prosperity, LOCAL commerce, brotherhood, philanthropy, defense, disaster-prevention, distributed power, MEANS OF CONSTRUCTION, the Bill of Individual Rights, sustainability and resiliency, all calibrated to LOVE, JOY, GRATITUDE, AND PEACE!

In the New Model, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole!

ALL is not lost!

"There is one revolution tolerable to all men, all societies, all political systems:

Revolution by design and invention."

-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on elevating war sales and margin, but rather a focus on elevating the marginalized into a world that works for all of CREATION!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual and nature, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

I think it's time to get ready!

There are only two things we should fight for. One is the defense of our homes and other is the Bill of Rights."
Smedley Butler.

WEALTH WITH PHILANTHROPY is like Capitalism WITH Conscience, is like Government WITH Oversight, is like Eisenhower's Farewell Address, and is IMPLEMENTED with the launch of the New Republic!
